REMINDERS

- **Preschool students must wait for their instructor to call them out.**
Preschool Parents MUST remain in the building. Please be in the preschool waiting area to pick up your child at the end of class.
 - **School age students may enter the gym 5 minutes prior to their class if an instructor calls students in at the gate.**
 - Please make sure you send students with a **water bottle** that closes completely with **clear liquids only.** Colored drinks often stain our floors if spilled.
 - Please set your student up for a safe class! **Nails must be kept at an appropriate length for the safety of your athlete and our staff.**
Hair must be out of your child's face and tied back neatly allowing your child to see as well as avoiding any safety issues from it getting in the way while flipping. **Jewelry must be removed prior to class (rings, necklaces, earrings that aren't studs, etc).** Instructors will advise students to see their parents to pull up hair and remove any jewelry as necessary. Hair ties are available at the desk for \$0.25 or we have rubber bands available for free.
 - Please make sure to limit distractions to your student and others by arriving on time and refraining from talking to your students or others during class. This helps students focus on the staff's instructions.

NEW & REINFORCED WAITLIST POLICIES

STARTS
OCT 1

- Waitlists roll over month to month.
- Waitlist notifications will be sent out via email. You have 48 hours to respond to the email or you will forfeit the spot. Please make sure you are subscribed to our email blasts and check your spam folder.
- If you are on the waitlist for an age out or move up we will give you a courtesy call after your 48 hours are up to confirm.
- For age out waitlist positions: If you do not respond within the given time or choose to decline the spot, and do not receive an alternate spot your child may not stay in their current class once their birthday comes if there are students on the waitlist for their current class. Please ensure you are only on age out waitlists that will fit your current schedule to avoid this problem.
- If you are dropped due to non-payment and the class you were in has a waitlist you will not be allowed to re-enroll. You can be placed on the waitlist for the same class or enrolled in any other available times or days.

NEW & REINFORCED MAKEUP POLICIES

- Students can receive up to 2 makeup tokens per month.
- Makeup tokens can be used for a class in the same program and level on a different day/time, where there is space available.
- Makeup classes must be scheduled in advance online or with our front desk staff.
- Makeup tokens expire 60 days from the missed class.
- We do ask that you let us know of any expected or unexpected absences as soon as possible. This allows other students to schedule their makeup classes.
- Makeup tokens for holiday closures will expire, but unexpected closures will not.
- Cancellation of makeup classes with less than 24 hours notice will result in loss of the makeup token.
